Co-op Community Kitchen • Information and Policies

The Eureka Co-op Community Kitchen is available to community groups, clubs, and non-profit organizations interested in conducting a cooking class or demonstration for their own purposes. No fee will be charged, but *the instructor/person doing the cooking must be ServSafe Certified* through the Humboldt County Department of Health.

The Community Kitchen is open for use from 11AM to 8 PM, 7 days a week. There is a 3-hour limit for kitchen functions. First priority for room use is given to our own education programs and store needs. Groups may only schedule one class or demonstration at a time. Please allow for set-up and clean-up time when considering your event schedule.

Children are always welcomed at the Co-op and some cooking classes and demonstrations will be specifically for kids; however, no children are allowed in the kitchen area at any time.

The kitchen is equipped with: A 6 foot demo island, 6 burner gas induction cook top, grill, built-in wok, sink, double convection oven, refrigerator, fire suppression system, commercial microwave, lockers, and all tools, implements, and utensils one would expect in an instructional kitchen. The adjacent classroom is equipped with tables, chairs, whiteboard and markers, digital video camera and flat screen TV. Seating capacity at tables is limited to 15.

You may get a Community Kitchen Request Form at the Arcata or Eureka Co-op, or print one from our website. The completed form should be faxed, mailed, or brought to Customer Service (attention Lauren Fawcett). Please give us at least ten days lead-time to process your request. We will call within seven days to let you know if the room is available when you need it. Once your reservation is confirmed we will place your group's name on the Community Kitchen/Meeting Room Calendar, which will be posted in the store. Please give us 48 hours notice if you need to cancel your event.
