Natural Honey

Trust Your Source

Big D Ranch

Produced:

Eureka

Miles Transported:

To Arcata: 9

To Eureka: 3

Sustainable Practices:

Big D Ranch keeps about 850 hives of bees in Eureka where the bees forage on White Clover, Strawberry Clover, White Dutch Clover and fruit trees.

The bees never travel more than five miles to work as pollinators on clover farms or in orchards.

The only pest management used is a yearly application of Terramycin, an anti-bacterial drug.

Owned By:

Big D Ranch is owned and run by Don Sullivan. He has been keeping bees locally for the last 50 years.
