Smoked Albacore Tuna

# Trust Your Source

## Fish Brothers

Caught:  
*North Coast*

Processed:  
*Blue Lake*

Miles Transported:  
*To Eureka: 2 - 89*  
*To Arcata: 11 - 76*

### Sustainable Practices:

This is a wild product, caught hook and line only (dolphin safe).

They are transported from the Eureka Docks to Blue Lake where they are processed.

Albacore tuna is considered to be a sustainable fishery by the US Department of Fish and Game as well as by the US Department of the Interior.
