Produced:

*Bridgeville*

Miles Transported:

To Arcata: 53

To Eureka: 44

### Sustainable Practices:

We are a family business located in Bridgeville, making beeswax candles artfully decorated with pressed flowers.

We grow our own flowers as well as much of our own food. Our candle shop and home are run on solar power.

All materials come from the North Coast. We use only the best beeswax, sourcing it from Redding and Arcata.

Our home is built from wood we milled and insulated with stay and clay.

All our electricity comes from solar or hydro power.
