Farm-raised Kumamoto Oysters

Trust Your Source

North Bay Shellfish

Caught:

Arcata Bay

Processed:

Arcata

Miles Transported:

To Eureka: 2

To Arcata: 9

Sustainable Practices:

Our farm-raised oysters are harvested from the Humboldt Bay.

Oysters are grown in reusable bags suspended above the bottom of the bay. They feed on the rich naturally occurring algae floating by.

Oysters are hand sorted for market and sold using recycled onion sacks, plastic bags and tyveck from local merchants.
