Sustainable Practices:

We use Fair Trade and organic ingredients whenever supply and cost permits. All of our cooking waste is composted at local farms.

We distribute throughout Humboldt County exclusively, delivering in a fuel efficient delivery vehicle.

We package in recyclable materials. We donate our time and chai to local fund-raising events for organizations such as Emma Center, Redwood Peace and Justice Center, AmeriCorps, local schools and arts organizations.

Owned By:

Planet Chai is owned and run by Jana Filcich and Silas Knight, long time lovers of chai.
